

## CONSENT FOR PARTICIPATION IN OPEN WATER SWIMMING, 2021

### Parental/guardian consent

I, being the parent/guardian of the child/young person identified below, have read the information on this form and give consent for my child/young person to take part in Open Water Swimming. I understand and agree that my son/daughter/child/young person in my care, participates entirely at his/her own risk. I have considered the nature of this swim and have discussed them with my son/daughter/child/young person in my care. I am satisfied that they are sufficiently responsible and competent to assume full and entire responsibility for their own safety under the supervision of Inspire2tri and Anglian Water (Watersports).

### Notes:

- You are giving consent for the child/young person named below to participate in Open Water Swimming.
- It is part of our *Code of Practice* to ensure that all reasonable steps are taken to establish a safe environment where young participants can enjoy developing their sports skills. The parent(s)/guardian(s) are encouraged to stay and watch, but this is not compulsory.
- If the participant has to leave early or is being collected by someone other than the parent/guardian, the parent/guardian must advise Inspire2tri of the details of the arrangement, including who will be collecting the participant.
- Any young participants who persistently misbehave or put others in danger will be asked to leave the swim and will not be allowed to attend any future events.

Please ensure that you make a note of any medical conditions your child/young person has/you feel the organiser should know about in the *Registration* form. If you have any concerns about your child/young person participating in any form of physical activity, please consult your GP before giving permission for your child/young person to take part in this event.

### Data Protection

I understand that this paper form is required to plan the safest possible exercise experience and that it is accessible to any staff conducting activities in which the child/young person participates. It may be used to contact the parent in the event of a change or cancellation of a class or event but will be kept securely for a maximum of 3 years (renewal yearly) and will not be shared with any other organisation or group. No modification will be made to the form without my permission and the parent may request to view it or ask for it to be deleted at any time if the child/young person ceases to attend open water swimming.
