Record Handling & Data Protection

I understand that this paper form is required to create my individual record in the Tanita Pro software on the local PC, and that it is accessible to any staff conducting the analysis.

No modification will be made to this form without my permission and I may request to view it or ask for it to be deleted at any time.

I can view my record in the Tanita Pro database on the local PC and ask for all or specific results to be deleted. This record will never be used in any way that can identify me as an individual, but may be used to create a report of broad trends for specific groups.

The data on this PC will be backed up locally and securely and will be kept at a separate safe location.

Paper copies of your result(s) will be printed for you individually. No other results will be kept in paper form without your expressed permission.
