

Baby/Child Video Terms & Conditions and Agreement

Please read this agreement between you and Inspire2tri (operating as Inspire2swim) before booking a video session. By booking a session you are agreeing to these terms and conditions

POOL USAGE

- I agree to provide emergency contact details and any relevant medical conditions of myself and my baby and understand that this information will be recorded for my safety and held securely under our Data Protection Act registration.
- I will ensure that my baby/child, potty trained or not, will wear a double nappy system; a disposable paper swim nappy or eco liner with a Happy Nappy on top. I accept that Inspire2tri reserves the right to refuse entry to the water to any child that is not suitably attired.
- I will change my baby/child on the floor using a suitable changing mat. (A changing mat can be provided on request, but if possible, please bring your own). I will not use any raised area such as benches, seats or the pool side to prevent injury from babies rolling onto the floor from high surfaces. I will place all used nappies in the bin provided, or take them away with me.
- I will feed my baby/child at least half an hour before the session to avoid any accidents in the pool and agree that I will not feed my baby in the pool.
- I agree to shower both myself and my baby/child before entering the water. (Removing all body lotions, perfumes etc. before swimming contributes significantly to maintaining water quality and clarity)
- I will not enter the pool or allow my baby/child to enter the pool until the photographer has indicated that it is safe to do so.
- I will respond immediately to any directions given by the photographer relating to safety, including any instruction to exit the water at any time during the session if required.
- I will exit the water at the end of the session when instructed to do so.
- I will not dive or jump from the sides of the pool into the water and will not allow my child to do so.
- We will not enter the water if I, or my baby/child, are feeling unwell, have open wounds, or suffering from an illness such as an ear infection, sickness, diarrhoea, chicken pox, impetigo, conjunctivitis or a bad cold.
- I agree to take full responsibility for my possessions whilst swimming. Valuables can be left in a valuables box placed on the poolside for this purpose.
- I have provided the correct contact details at time of registration and agree to notify Inspire2tri if changes or updates are required before the session is taken.
- Whilst every reasonable precaution is taken by us to ensure security and safety at our session, we shall not in any way be liable for any loss or damage arising in any way from our sessions or facilities. However, nothing in these terms and conditions shall limit the liability of any person for death or personal injury caused by negligence.
